DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of
Josephine Brown, et al, as citizens by blood of the Chickasaw Nation.

D E C I S I O N.

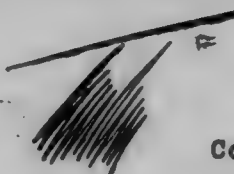

It appears from the record in this case that on April 4, 1905, and April 5, 1905, there was filed with the Commission to the Five Civilized Tribes, applications for the enrollment of Josephine Brown and Odis L. Brown, respectively, as citizens by blood of the Chickasaw Nation.

It appears from the evidence herein, and from the records of the Commission to the Five Civilized Tribes, that the applicant, Josephine Brown, was born on October 8, 1902; that Odis L. Brown was born on November 3, 1903; that both of said applicants are the illegitimate children of Ellen Brown, a non-citizen white woman, and Joe Brown, a recognized and enrolled citizen by blood of the Chickasaw Nation, whose name appears as number 2832 upon the final roll of citizens by blood of the Chickasaw Nation, approved by the Secretary of the Interior, December 12, 1902, and that both of the said applicants were living on March 4, 1905.

The Act of Congress approved March 3, 1905 (33 Stats., 1060), provides,

"That the Commission to the Five Civilized Tribes is authorized for sixty days after the date of the approval of this act to receive and consider applications for enrollment of children born subsequent to September twenty-fifth, nineteen hundred and two, and prior to March fourth, nineteen hundred and five, and who were living on said latter date, to citizens by blood of the Choctaw and Chickasaw tribes of Indians whose enrollment has been approved by the Secretary of the Interior prior to the date of the approval of this act; and to enroll and make allotments to such children."

I am, therefore, of the opinion that Josephine Brown and Odis L. Brown should be enrolled as citizens by blood of the Chickasaw Nation under the provisions of the act above quoted, and it is so ordered.

J. P. Robinson,

Dear Sir:

In your letter of April 24, 1905, you transmitted a certified copy of the marriage license and certificate between Joe Brown and Mrs. Ella Davis, which you offered in support of the application for the enrollment of Gena L. and Josephine Brown, their infant children. This certified copy was returned to Joe Brown, Isom, Indian Territory, on May 20, 1905, for the reason that it appeared that the marriage ceremony was performed on April 22, 1905, while Josephine Brown and Gena L. Brown were born August 2, 1905 and November 2, 1905, respectively. It was thought that probably there was an error in the date inserted in this copy.

Before any further action can be taken for the enrollment of these children, it will be necessary that evidence of the marriage of the children's parents be filed in this office.

Respectfully,

Commissioner

Nuskogee, Indian Territory, August 16, 1905.

On May 20, 1905, this Office returned to you a certified copy of the license and certificate of your marriage to Ellen Brown, in which it appeared that you were married April 22, 1905, while your children, Josephine Brown and Oda L. Brown, in support of whose applications said evidence of marriage was filed, were born October 8, 1902, and November 3, 1903, respectively. The evidence of marriage was returned to you at that time, for the reason that it was found that an error had been made as to the date of your said marriage in making the certified copy of the marriage license and certificate, and you were requested to file with this Office a correct copy of said marriage license and certificate.

To said letter of May 20, 1905, you have made no reply.

Muskogee, Indian Territory, May 16, 1905.

Edward Sittel,

Scipio, Indian Territory,

Dear Sir:

Referring to the application for the enrollment of your infant child, Geneva Sittel, it appears that you are a citizen by blood of the Choctaw Nation, while your wife is a citizen by blood of the Chickasaw Nation.

Your attention is called to the provision of the Act of Congress approved June 25, 1898, as follows:

The several Tribes may, by agreement, determine the right of persons who for any reason may claim citizenship in two or more tribes, and to allotment of lands and distribution of moneys belonging to each tribe; but if no such agreement be made, then such claimant shall be entitled to such rights in one tribe only, and may elect in which tribe he will take such right; but if he fail or refuse to make such selection in due time, he shall be enrolled in the tribe with whom he has resided, and there be given such allotment and distributions, and not elsewhere.

It will therefore be necessary for you and your wife to appear before a Notary Public or other officer authorized to administer oaths and by affidavit elect in which nation you desire to have said child enrolled, forwarding same, when properly executed, to the Commission.

Respectfully,

Special Agent.

self and Mary Sittel electing to have your child, Edna Sittel en-
rolled as a citizen by blood of the Chickasaw Nation, and the same
have been filed with our records in the matter of the enrollment
of said child.

In reply to that portion of your letter in which you ask if you can have land selected for your child, we are advised that as a reservation of land is required for the enrollment of children for whom land is to be selected under the provisions of the act of Congress of March 3, 1903, which said enrollment has been approved by the Secretary of the Interior.

It appears, however, that the name of your wife is given in the certificate as the name of your child Morris Vark and it is probable that she has been given some surname other than the one which she bore at birth.

Dear Sir:

Receipt is hereby acknowledged of your letter of March 27, 1908, enclosing affidavits of Agnes Mennie Tressa Marden and Thomas P. Dickson to the birth of William Thomas Jordan, December 19, 1904.

The information contained in this affidavit is insufficient to enable the Commission to identify Agnes Mennie Tressa Jordan as a citizen by blood of the Chickasaw Nation, but in conversation over the telephone with the post master at Bushyhead, it was ascertained that the maiden name of the mother was Langston and this information enabled the Commission to identify her as having been enrolled under the name of Agnes Mennie Tressa Jordan.

Very respectfully,
Commissioner of the Bureau of Indian Affairs

9-H.B.311.

Muskogee, Indian Territory, May 25, 1905.

George W. Jordan,

Poyil, Indian Territory.

Dear Sir:

Receipt is hereby acknowledged of your letter of April 12, 1905, and your letter of May 12, transmitting marriage license and certificate between yourself and Monnie Landrum, which you offer in support of the application for the enrollment of your child, William Thomas Jordan, and the same have been filed with the records in this case.

You are advised that the name of your child has been placed upon a schedule of citizens by blood of the Chickasaw Nation prepared for forwarding to the Secretary of the Interior.

Respectfully,

Officially,

Commissioners to the Five Civilized Tribes,
Muskogee, Ind. Ter.,

Dear Sirs-- Referring to yours of August 4, 1905, S.M. 120, concerning the infant child of Lattie Anderson,

I filed at Tishomingo and do not remember the date. The certificates were sent to me here at this office on March 6th and the post office here was burned up on March 7th 1904 and was then burned up. I filed under the name of Lattie Applaw and my father's name was Daniel Colbert and my mother was named Dalpha Wolfe. I have selected an allotment and have no certificates for the reason above stated.

Please give this your attention and call on me for any information needed and if possible I will furnish it.

Respectfully,

Dear Madam:

Receipt is hereby acknowledged of your letter of August 14, 1906, giving the names of your parents in the matter of the enrollment of your infant child, Lena Anoatubby. The information has enabled this office to identify you as an enrolled citizen by blood of the Chickasaw Nation, and has been made a part of the record in the matter of the application of Lena Anoatubby as a citizen by blood of the Chickasaw Nation.

Respectfully,

Leticia Apala,

Isom Springs, Indian Territory.

Dear Madam:

In the matter of the application for the enrollment of your minor daughter Lena Anoatubby as a citizen by blood of the Chickasaw Nation it will be necessary for you to furnish this office with proper proof of the birth of said child and a blank for that purpose, which has been filled out, is inclosed herewith.

In your affidavits, as to the birth of said child, heretofore filed with this office you stated that you were the lawful wife of Lankford Anoatubby. On July 18, 1905, Lankford Anoatubby addressed a letter to this office stating that his wife, Jane Anoatubby was still living and that she was the only wife he had and that if you claimed to be his wife it was a mistake. A blank for proof of birth which is inclosed has been made to conform to the above facts.

Be careful to sign your name to the affidavit as to the birth of your said daughter as the same appears in the body of the affidavit and to see that the notary public, before whom the affidavits are sworn to attaches his name and seal to

You are further advised that under the act of Congress approved July 1, 1902, the Commission to the Five Civilized Tribes was authorized for a period of ninety days from September 25, 1902, the date of the ratification of said act, to receive applications for enrollment in the Choctaw and Chickasaw Nations, and subsequent to that time the application of no person whatsoever for enrollment in the Choctaw and Chickasaw Nation should be received.

This act was modified by the act of Congress approved March 3, 1905, which authorized the reception, for a period of ninety days from that date, of applications for the enrollment of children born prior to March 4, 1905, to citizens by blood of the Choctaw and Chickasaw Nations whose enrollment had been approved by the Secretary of the Interior prior to March 4, 1905.

DEPARTMENT OF THE INTERIOR,
COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of Sarah Arinda Self and Joseph W. Self as citizens by blood of the Chickasaw Nation.

--: D E C I S I O N :--

It appears from the record herein that on April 18, 1905 there were filed with the Commission applications for the enrollment of Sarah Arinda Self and Joseph W. Self as citizens by blood of the Chickasaw Nation.

It further appears from the record in this case and the records of the Commission that the applicants, Sarah Arinda Self and Joseph W. Self, were born on March 20, 1903 and September 3, 1904, respectively, and are the children of Fannie Self, a recognized and enrolled citizen of the Chickasaw Nation whose name (as Fannie Garsides) appears as number 4652 upon the final roll of citizens of the Chickasaw Nation, approved by the Secretary of the Interior April 11, 1903, and James Self, a recognized and enrolled citizen by intermarriage of the Chickasaw Nation.

From a copy of a letter of the Commission to the Honorable Secretary of the Interior dated March 23, 1903, transmitting partial roll of citizens of the Chickasaw Nation, numbers 4564 to 4659, inclusive, upon which partial roll the name of the said Fannie Self (as Fannie Garsides) is found, it appears that it was stated in said letter that the rights of the said Fannie Self (as Fannie Garsides), and others specifically mentioned therein, to enrollment as citizens of the Chickasaw Nation "are established by tribal recognition and by their descent from Polly McKinney, who was adopted by the Chickasaw tribe of Indians in the State of Mississippi prior to the year 1834, and who obtained a patent to land in that state under the treaty of 1834, between the United States and the Chickasaw Nation, in which patent the said Polly McKinney was characterized as 'a Chickasaw Indian'." However, on February 21, 1903 the Commission rendered a decision enrolling the said Fannie Self (as Fannie Garsides), and

2.

others, as citizens by blood of the Chickasaw Nation, thereby establishing the status of the said Fannie Self as a citizen by blood of said nation. A copy of said decision is filed herewith and made a part of the record in this case.

It further appears from the record herein that both of the applicants were living on March 4, 1905.

The Act of Congress approved March 3, 1905 (Public No. 212) among other things provides:

"That the Commission to the Five Civilized Tribes is authorized for sixty days after the date of the approval of this act to receive and consider applications for enrollment of children born subsequent to September twenty-fifth, nineteen hundred and two, and prior to March fourth, nineteen hundred and five, and who were living on said latter date, to citizens by blood of the Choctaw and Chickasaw tribes of Indians whose enrollment has been approved by the Secretary of the Interior prior to the date of the approval of this act; and to enroll and make allotments to such children."

It is the opinion of this Commission that Sarah Arinda Self and Joseph W. Self are children of a citizen by blood of the Chickasaw tribe of Indians, within the meaning of the provision of law above quoted, and that, therefore, the application for their enrollment as citizens by blood of the Chickasaw Nation should be granted and it is so ordered.

--- D E C I S I O N ---

It appears from the census cards in the possession of the Commission and the other records in this case that at Colbert, Indian Territory, on October 14, 1898, application was made for the enrollment of Harris McKinney and his minor child, Laura Etta McKinney, as citizens by blood of the Chickasaw Nation, since which time birth affidavits have been filed in the matter of the application for the enrollment of his infant children, Cecal Berthal and Maude Lee McKinney, as citizens by blood of the Chickasaw Nation; that at the same place and on the same date application was made for the enrollment of Charley Hayes as a citizen by intermarriage of the Chickasaw Nation, and for the enrollment of his minor children, Daniel, Minnie, Maggie and Edward Hayes, as citizens by blood of the Chickasaw Nation, that also at the same place and on the same date application was made for the enrollment of Martha McKinney as a citizen by intermarriage of the Chickasaw Nation; that at Ardmore, Indian Territory, on November 25, 1898, application was made for the enrollment of Oyd McKinney as a citizen by blood of the Chickasaw Nation; that at Afton, Indian Territory, on December 5, 1898, application was made for the enrollment of Joseph Carsides as a citizen by intermarriage of the Chickasaw Nation, and for the enrollment of his seven minor children, Fannie, Ben, Alex, Sam, Nellie, Mattie and Joe Carsides Jr., as citizens by blood of the Chickasaw Nation.

Further proceedings in the matter of said applications were had at Durant, Indian Territory, at the session of the Commission commencing August 14, and ending August 18, 1899, and at Afton, Indian Territory, on December 5, and December 8, 1900.

The applicants, Martha McKinney, Charley Hayes and his minor children, Daniel, Minnie, Maggie and Edward Hayes, and Joseph Carsides, are differently classified and are not embraced in this decision.

It appears from the evidence submitted and the records in the possession of the Commission that the applicants, Harris McKinney, and his three minor children, Laura Etta, Cecal Berthal and Maude Lee McKinney, and Oyd McKinney, Fannie Carsides, Ben Carsides, Alex Carsides, Jim Carsides, Nellie Carsides, Mattie Carsides and Joe Carsides Jr., claim rights to enrollment as citizens by blood of the Chickasaw Nation, by reason of being descendants of Polly McKinney (or McKinnie), who obtained a patent to land in Mississippi under the Treaty of 1830 between the United States and the Chickasaw Nation, in which patent the said Polly McKinney (or McKinnie) was acknowledged as a Chickasaw Indian; that the principal applicants herein are, and have been for many years past, actual and bona fide residents of the Chickasaw country in Indian Territory, and are duly recognized as citizens of the Chickasaw Nation; that Harris McKinney's name is identified on the 1898 Chickasaw tax roll, book 2, page

8, No. 226; that Oyd McKinney's name is identified on the 1893 Chickasaw pay roll, No. 1, at page 140; that the applicants, Fannie Garsides, Ben Garsides, Alex Garsides, Jim Garsides, Nellie Garsides, Mattie Garsides and Joe Garsides Jr., are identified on the Maytubby 1893 Chickasaw pay roll, No. 2, duly enrolled with their father, Joseph Garsides; that Laura Etta McKinney, Cecial Berthal McKinney and Maude Lee McKinney, the minor children of the principal applicant, Harris McKinney, having been born subsequent to the tribal enrollment of their father, are identified from proper birth affidavits filed herein and made a part of the record in this case.

It is the contention of counsel for the Choctaw and Chickasaw Nations that the said Polly McKinney (or McKinnie) was a Cherokee Indian by blood, and that notwithstanding the recognition given the principal applicants herein as citizens of the Chickasaw Nation, they are not entitled to said citizenship as they are Cherokee Indians by blood and are not citizens by adoption of the Chickasaw Nation by an act of the Chickasaw legislature.

The contention that the said Polly McKinney (or McKinnie) was a Cherokee Indian and had no Chickasaw blood is not established by the evidence. She was recognized by the government of the United States as a Chickasaw Indian when the patent referred to was given to her, and was also recognized by the Chickasaws themselves, both in Mississippi and Indian Territory, as a member of said tribe of Indians; and it further appears from the testimony submitted, and the records in the possession of the Commission, that her descendants have been recognized and enrolled as citizens of the Chickasaw tribe of Indians.

The records in the possession of the Commission further show that none of the applicants herein has ever been recognized or enrolled by the Cherokee tribal authorities as a citizen of said Nation, nor has any of them ever been listed for enrollment as a citizen of the Cherokee Nation by the Commission to the Five Civilized Tribes.

It further appears that all of the applicants considered herein, except Cecial Berthal McKinney, who was born February 17, 1901, were residents in good faith of Indian Territory on June 23, 1896.

It is therefore the opinion of the Commission that the applications for the enrollment of Harris McKinney, Laura Etta McKinney, Cecial Berthal McKinney, Maude Lee McKinney, Oyd McKinney, Fannie Garsides, Ben Garsides, Alex Garsides, Jim Garsides, Nellie Garsides, Mattie Garsides and Joe Garsides Jr., as citizens by blood of the Chickasaw Nation should be granted under the provisions of section twenty-one of the Act of Congress approved June 23, 1896 (30 Stats., 495), and it is so ordered.

Dear Sir:

Referring to the application for the enrollment of your infant child, Thomas Gardner Hays Jr., it appears that you are a citizen by blood of the Chickasaw Nation, while your wife is a citizen by blood of the Choctaw Nation.

Your attention is called to the provision of the Act of Congress approved June 25, 1900, as follows:

"The several tribes may, by agreement, determine the right of persons who formerly resided on lands of one or more tribes, and to allotment of lands and distribution of money belonging to each tribe; but if no such agreement is made, then such persons shall be entitled to enrollment in the tribe and may elect in which tribe to take their allotment; but if no such election is made, then they shall be enrolled in the tribe with which they resided and whose name they bore at the time of their removal to the reservation."

It will therefore be necessary for you to make known to the proper authorities of the Choctaw Nation your election to have said child enrolled. According to the provisions of the Act of Congress, the enrollment must be made within the time specified.

Very truly,
Sincerely,
Sincerely,
Sincerely,

STATE OF BRITAIN

Muskogee, Indian Territory, May 17, 1905.

Frank Colbert Bradley,
Bradley, Indian Territory,
Dear Sir:

Referring to the application for the enrollment of your infant child, Edna Bradley, born February 17, 1903, it is noted from the affidavits heretofore filed in this office that the mother of the applicant, Dora Bradley, is dead. In place of her affidavit you have filed the affidavit of Winter P. Bradley, the applicant's grandfather, and Frank Colbert Bradley, her father.

Before this matter can be finally disposed of it will be necessary for you to file with the Commission the affidavits of two persons, who are disinterested and not related to the applicant, who have actual knowledge of the facts that the child was born to the wife of her father, that she was living on March 1, 1905, and that Dora Bradley was her mother.

In having these affidavits executed care should be exercised to see that all the names are written in full, as they appear in the body of the affidavit and in the event that either of the persons signing the affidavits are unable to write, signatures or marks must be attested by two witnesses. Each affidavit must be presented before a Notary Public and the notarial seal and signature

of the officer must be attached to each separate affidavit.

Respectfully,

The same is returned to you herewith, and you are informed that the Commission cannot now receive or consider the application for enrollment of this child as a citizen of the Chickasaw Nation, it having been born October 21, 1902, subsequent to the ratification by the citizens of the Choctaw and Chickasaw Nations on September 25, 1902, of an agreement recently entered into between the United States and the citizens of these two tribes.

Section twenty-eight of the agreement above referred to provides as follows:

In the matter of the application for the enrollment of Annie Lee Crumney as a citizen by blood of the Chickasaw Nation.

---oOo---

It appears from the record herein that on April 19, 1905 there was filed with the Commission application for the enrollment of Annie Lee Crumney as a citizen by blood of the Chickasaw Nation.

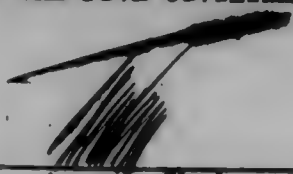

It further appears from the record herein and the records of the Commission that the applicant was born May 7, 1904; that she is a daughter of Tennie Crumney, a recognized and enrolled citizen by blood of the Chickasaw Nation whose name appears as number 4156 upon the final roll of citizens by blood of the Chickasaw Nation; approved by the Secretary of the Interior March 6, 1903, and G. W. Crumney, a noncitizen; and that said applicant died November 16, 1904.

The Act of Congress approved March 3, 1905 (Public No. 212) among other things provides:

"That the Commission to the Five Civilized Tribes is authorized for sixty days after the date of the approval of this act to receive and consider applications for enrollment of children born subsequent to September twenty-fifth, nineteen hundred and two, and prior to March fourth, nineteen hundred and five, and who were living on said latter date, to citizens by blood of the Choctaw and Chickasaw tribes of Indians whose enrollment has been approved by the Secretary of the Interior prior to the date of the approval of this act; and to enroll and make allotments to such children."

It is, therefore, hereby ordered that the application for the enrollment of Annie Lee Crumney as a citizen by blood of the Chickasaw Nation be dismissed in accordance with the order of the Commission of March 31, 1905.

Joseph Gibson,

Foster, Indian Territory,

Dear Sir:

Referring to the application for the enrollment of your infant child, Sylvia Gibson, it appears that you are a citizen by blood of the Choctaw Nation, while your wife is a citizen by blood of the Chickasaw Nation.

Your attention is called to the provision of the Act of Congress approved June 28, 1898, as follows:

The several Tribes may, by agreement, determine the right of persons who for any reason may claim citizenship in two or more Tribes, and to allotment of lands and distribution of moneys belonging to each tribe; but if no such agreement be made, then such persons shall be entitled to such rights in one tribe only, and may elect in which tribe he will take such right; but if he fail or refuse to make such selection in due time, he shall be enrolled in the tribe with whom he has resided, and there be given such allotment and distribution as may be elsewhere.

It will therefore be necessary for you and your wife to appear before a Notary Public or other officer authorized to administer oaths and by affidavit elect in which nation you desire to have said child enrolled, forwarding the same, when properly executed, to the Commission.

Respectfully,

Chairman.

Chickasaw N B 300

Muskogee, Indian Territory, June 28, 1906.

Joseph Gibson,

Poster, Indian Territory,

Dear Sir:

Receipt is hereby acknowledged of joint affidavit of yourself and your wife, Emily Gibson, stating to have your child, Sylvia Gibson, enrolled as a citizen by blood of the Chickasaw Nation, and the same has been filed with our records in the matter of the enrollment of said child.

Respectfully,

Muskogee, Indian Territory, July 10, 1905.

Joseph Gibson,

Foster, Indian Territory,

Dear Sir:

There is inclosed you herewith for execution affidavit of the attending physician or midwife in the matter of the application for the enrollment of your infant child, Sylvia Gibson.

It appears from the application heretofore filed in this office that you attended upon your wife at the time of the birth of said child. If there was a physician or midwife also in attendance please secure his or her affidavit, but if you were the only one in attendance, it will be necessary for you to furnish the affidavits of two disinterested persons who are not related to the applicant, and who have actual knowledge of the facts, that the child was born, the exact date of her birth, that she was living on March 4, 1905, and that Emily Gibson is her mother.

This matter should receive your immediate attention as no further action can be taken relative to the enrollment of your child until the evidence requested is supplied.

Respectfully,

9-KB-559

Muskogee, Indian Territory, August 16, 1905.

Emily Gibson,

Care Josiah Gibson,

Antioch, Indian Territory,

Dear Madam:

Receipt is hereby acknowledged of your letter of August 11, 1905, asking if certain affidavits in the matter of the enrollment of Sylvia Gibson have been received.

In reply to your letter you are advised that on August 7, 1905, there was received at this office the joint affidavit of E. C. Park and E. F. Park to the birth of Sylvia Gibson, daughter of Joseph and Emily Gibson, and the same was filed with the records in the matter of the enrollment of said child.

John Cyrus Elliott,

Pauls Valley, Indian Territory,

Dear Sir:

There is enclosed you herewith for execution application for the enrollment of your infant child, John Cyrus Elliott, Jr., born September 13, 1904.

In the affidavits filed in this office on April 7, 1905, you gave the applicant's name as John Cyrus Elliott, Jr., while in those filed April 12, 1905, his name is given as John Cyrus Elliott, Jr. The former affidavits are apparently correct, but it appears from them that the child was living on January 15, 1905. It is necessary, for the child to be enrolled, that he was living on March 1, 1905. You will, therefore, please have the enclosed affidavits, in which the applicant's name is inserted as John Cyrus Elliott, Jr., executed and return to this office.

In having these affidavits executed care should be exercised to see that all the names are written in full, as they appear in the body of the affidavit and in the event that either of the persons signing the affidavits are unable to write, signatures by mark must be attested by two witnesses. Each affidavit must be executed before a Notary Public and the notarial seal and signature

John Cyrus Elliott 3.

of the officer must be attached to each separate affidavit.

Bettie Burris,

Madill, Indian Territory,

Dear Madam:

There is enclosed herewith application for the enrollment of your infant child, Annie Lula Burris, born March 27, 1904. In the application heretofore filed you state that Sim Burris is the father of the applicant, while in the affidavit of the mid-wife it appears that C. P. Florence is your husband. Neither your affidavit nor that of the attending mid-wife shows that Sim Burris is the father of the child. It will, therefore, be necessary that the enclosed affidavits be executed.

The records of the Commission show your husband to be Sim Burris, while the affidavits, as referred to, show you to be the lawful wife of C. P. Florence. If this is correct you must please file affidavits to the effect that Sim Burris, who was the father of the applicant, Annie Lula Burris, is now dead, or that you have been divorced and that C. P. Florence is now your husband, giving the date of your marriage.

In having these affidavits executed care should be exercised to see that all the names are written in full, as they appear in the body of the affidavit and in the event that either of the

Bettie Burris

persons signing the affidavits are unable to write, signatures by mark must be attested by two witnesses. Each affidavit must be executed before a Notary Public and the notarial seal and signature of the officer must be attached to each separate affidavit.

Chairman.

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of Thuthes Merrell Brown as a citizen by blood of the Chickasaw Nation.

- - : D E C I S I O N : - -

It appears from the record in this case that on April 26, 1905, there was filed with the Commission to the Five Civilized Tribes an application for the enrollment of Thuthes Merrell Brown as a citizen by blood of the Chickasaw Nation.

It further appears from the record herein, and from the records of the Commission to the Five Civilized Tribes, that the applicant was born on February 21, 1905, and is the son of Loman Brown, a recognized and enrolled citizen by blood of the Chickasaw Nation, whose name appears as No. 1168 upon the final roll of citizens by blood of the Chickasaw Nation, approved by the Secretary of the Interior December 12, 1902, and Ethel Brown, a non-citizen white woman.

It further appears from the record herein that said applicant Thuthes Merrell Brown was living on March 4, 1905.

The Act of Congress approved March 3, 1905 (33 Stats., 1060), provides:

"That the Commission to the Five Civilized Tribes is authorized for sixty days after the date of the approval of this act to receive and consider applications for enrollment of children born subsequent to September twenty-fifth, nineteen hundred and two, and prior to March Fourth, nineteen hundred and five, and who were living on said latter date, to citizens by blood of the Choctaw and Chickasaw tribes of Indians whose enrollment has been approved by the Secretary of the Interior prior to the date of the approval of this Act; and to enroll and make allotments to such children."

I am therefore of the opinion that Thuthes Merrell Brown should be enrolled as a citizen by blood of the Chickasaw Nation under the provisions of the Act of Congress above quoted, and it is so ordered.

Dear Sir:

There is enclosed you herewith for execution application for the enrollment of your infant child, Frank Brown, born May 23, 1903.

In the affidavit heretofore filed in this office the mother gave the date of the applicant's birth as May 23, 1903, the mid-wife gave it as May 23, 1903. In the enclosed application the former date, which is apparently correct, is inserted.

In having these affidavits executed care should be exercised to see that all the names are written in full, as they appear in the body of the affidavit and in the event that either of the persons signing the affidavits are unable to write, signatures by mark must be attested by two witnesses. Each affidavit must be executed before a Notary Public and the Notarial seal and signature of the officer must be attached to each separate affidavit.

Respectfully,

W. H. H. H.

Dear Sir:

There is enclosed you herewith for execution application for the enrollment of your infant child, Juliana Hamlet Alexander, born September 12, 1904.

In the application filed in this office on the 15th ultimo, you executed the affidavit intended for the attending physician or mid-wife. It appears from the affidavits filed on the 26th ultimo, that there was a mid-wife in attendance upon you wife at the time of the birth of the applicant.

It will, therefore, be necessary for you to secure the affidavit of the mid-wife, but in the event that she is dead you will please file in this office the affidavits of two persons who are disinterested and not related to the applicant who have actual knowledge of the facts that the child was born, the date of its birth, that it was living on March 3, 1905, and that there was no other child born to its mother.

In having these affidavits executed, you should be careful to see that all the names are written in full, as they appear in the body of the affidavit, and in the event that there is any

MY COMMISSION EXPIRES FEBY. 11TH, 1907.

Muskogee, Indian Territory, May 20, 1905.

Molsey Keener,

Ada, Indian Territory,

Dear Madam:

There is enclosed you herewith for execution application for the enrollment of your infant child, Lillie May Keener.

Referring to your affidavit, executed December 7, 1904, and that of Artie Cupps, executed December 30, 1904, to the birth of the above mentioned applicant, it appears that Jackson Reed was your husband and that the applicant was born on August 23, 1903, while in your affidavit of the 30th ultimo, you state that you are the lawful wife of Stokes Keener and also mention him as the father of this applicant. Artie Cupps, the attending mid-wife, in her affidavit of the 30th ultimo fails to mention your husband or the father of the child. In the two affidavits last mentioned the birth of the applicant is given as August 23, 1903.

In the enclosed application both the name of the father and the date of birth of the applicant have been left blank, which you will please insert before executing these affidavits.

In having these affidavits executed care should be exercised to see that all the names are written in full, as they appear in the body of the affidavits and in the event that either of the persons signing the affidavits are unable to write, signatures by

Holsey Keener R.

Each must be attested by two witnesses. Each affidavit must be executed before a Notary Public and the notarial seal and signature of the officer must be attached to each separate affidavit.

Respectfully,

Chairman.

VR 20-7.

Muskogee, Indian Territory, June 16, 1903.

Tom D. McKee,

Attorney at Law,

Ada, Indian Territory.

Dear Sir:

Receipt is hereby acknowledged of your letter of June 8, relative to the enrollment of Lillie May Keener, child of Pauline Keener, in which you state that she is enrolled opposite No. 3894, upon the approved roll of citizens by blood of the Chickasaw Nation; that she refuses to disclose the name of the father of her child, and you ask if she can execute an affidavit with the name of the father left blank.

In reply to your letter we are advised that the name of Pauline Keener appears opposite No. 3894, upon the approved roll of citizens by blood of the Chickasaw Nation, and it is believed that your letter was in error in stating that she was enrolled opposite No. 3894.

You are advised that Pauline Keener may, if she insists, execute the affidavit to the birth of her child, Lillie May Keener, with the name of the father left blank.

Respectfully,

9-17-484.

Montegee, Indian Territory, August 17, 1905.

Maulsey Keener,

Ada, Indian Territory.

Dear Madam:

On May 20, 1905, the Commission to the Five Civilized Tribes addressed a letter to you requesting you to furnish this office with proper proof of the birth of your infant child Lillie May Keener and inclosed with said letter a blank for proof of birth. To such letter no response has been received.

Referring to your affidavit executed December 7, 1904, and the affidavit of Arlie Cupps, executed December 30, 1904, as to the birth of said child it appears that said child was born August 25, 1903, while in your residence at Montegee, Indian Territory, and the affidavit of the said Arlie Cupps of April 28, 1905, the date of the birth of said child is given as August 25, 1904.

In one set of affidavits you state that you are lawful wife of Jackson Reed, while in the other affidavits it is alleged that you are the lawful wife of Keener and that Edwin Keener is the father of said child.

In order that these discrepancies may be explained

MI -5.

and corrected, there is inclosed herewith another blank for proof of birth which you are requested to have filled out, executed and returned to this office in the inclosed envelope. In having the same executed be careful to see that all blank spaces are properly filled; that the correct date of the birth of said child is given, and that the notary public before whom the affidavits are sworn to attach his name and seal to each affidavit. In case any signature is by mark the same must be attested by two witnesses.

Please give this matter your immediate attention.

Conway, Indian Territory.

Dear Sir:

On May 20, 1905 the Commission to the Five Civilized Tribes addressed a letter to you requesting you to furnish this office with proper proof of the birth of your child Susan Johnson and inclosed therewith a blank for proof of birth of said child.

It appears from the affidavits heretofore filed with the Commission to the Five Civilized Tribes that you, the father of the above named child, executed the affidavit intended for the attending physician or midwife.

Before the matter of the enrollment of said child can be finally determined it will be necessary for you to file with this office the affidavit of the attending physician or midwife who attended upon your wife at the birth of said child, but in the event that there was no one in attendance when said child was born it will be necessary for you to furnish this office the affidavits of two disinterested persons as to the birth of said child. Said affidavits of two disinterested persons must set forth said child's name, the

Receipt is hereby acknowledged of your letter of September 16, 1908, in which you request to be advised as to whether the name of Amanda Underwood can be changed upon the final roll of new born citizens by blood of the Chickasaw Nation to Amanda King and if so what steps are necessary on the part of the father and mother of said child to have said name so changed.

You are informed that application was made for the enrollment of this child under the name of Amanda Underwood; that on three different occasions proof of birth was filed for this child and each time her name was stated therein to be Amanda Underwood; On May 1, 1908, the mother of this child, Alice King, appeared before the Commission to the Five Civilized Tribes and submitted her affidavit as to the birth of said child at which time she refused to give the name of the father of said child.

You are advised that the enrollment of said child

under the name of Amanda Woodward is in strict conformity with the original application for the enrollment of said child and with all proof and evidence subsequently filed in said case. Her name, therefore, can not be changed upon the final roll from Amanda Woodward to Amanda King.

Respectfully,

Acting Commissioner.
